Past and present Staff, Scouters, Scouts, Parents and Friends of Camp Hansen

The Staff of Camp Hansen have served countless youth and adults in Coronado Area Council for 45 years and the summer camp experience continues to be one of the most memorable events in the life of a young Scout. While there are limited facilities to house adult Staff Members on the reservation, those Staff under the age of 18 live in wall tents for the month that they serve our Scouts.

Camp Hansen supporters are engaged in a capital campaign to provide the resources to construct simple sleeping cabins for Junior Staff Members, providing them with a safe, quiet and private facility where they can get the rest they need, re-energize each day, and have a place they can call home while they serve our youth during the camping season.

Serving on camp staff is often the natural progression towards leadership and adulthood for many of our Scouts in Coronado Area Council. As we continue to provide the best camping experience for every boy that spends time on our reservation, we will also continue to strive to provide the best staff and resources for that experience.

Please consider being part of the effort to impact the life of every Scout that deserves quality program, leadership and facilities.
