# PRAIRIE FIRE

For Tribesmen of Golden Eagle

*Molding Young Men for the Next 100 Years of Scouting*

## **Fellow Tribesman,**

A year ago I was given the great honor of being named your 2009 chieftain at Camp Hansen Scout reservation. I felt very humble to be chosen to carry on the tradition of Golden Eagle, that I was a part of back in 1989 to help get it started at Camp Hansen. I was given the opportunity as Chieftain to take my grandson into the Tribe of Golden Eagle, making him the third generation of my family to become members of our tribe. It has truly been an honor to do that.

I would remind each member of our tribe of their resolutions. We all must realize that these resolutions are not just for camp but these are our own guides to which we live our daily lives throughout the year.

The first week of the 2009 summer camping season will be remembered by all who attended for the rain that came each day and for the Wednesday night Tap Out that was done inside. This was the first time in our history that we did that part of our ceremony inside but it did go well. Last years first week campers will always be know as the Ducks. Even though each day brought rain our Scouts and leaders kept a great attitude that week. During weeks two and three the weather cleared and our ceremonies went well. We had good numbers advance each week and took in over 100 new members last summer. The First week tapping fire could not be used because of the rain but it was restuffed and lit during our second week. It was one of the biggest tapping fires we have had and I want to thank Young Climbing Guide and the Firebuilders for building and starting it with flint and steel.

Once again it is time to be thinking about returning to Camp Hansen for the 2010 camping season. Now is the time for you to talk to all members of your troop to make sure they are ready and fired up to come to summer

camp. Let's see if we can top the mark of 500 campers at Camp Hansen this summer.

I invite everyone to attend Potlatch on May 1. This year promises to be better for we are celebrating 100 years of Scouting and some special things will be happening for it. I encourage everyone to bring their costumes to Potlatch and for Golden Eagle ceremonies each week. It always looks very impressive to our new candidates and visitors. The anticipation of elevating a Tribesman to Chief is awaiting all.

Once again I want to thank you for allowing me to serve as your Chieftain. It has been my honor and an experience I will never forget.

I have spoken  
*Chieftain Blue Eagle*

## **Tribesman of Golden Eagle,**

The call of the Tom-Tom has come forth for one and all to gather at the Tribal Grounds of Golden Eagle on the Camp Hansen Scout Reservation. 12 moons have past and the new season is fast approaching. This year we will be celebrating the 100<sup>th</sup> anniversary of Scouting. Our tribe will continue to build strong young leaders to blaze the trail of Scouting for our next 100 years. It is the strength of our program that allows each young tribesman to look within and make life changing observations while they are at camp. As leaders in your units, you should be making sure you have completed the work for scouting rank advancement so you are ready for elevation in our Tribal ranks and earn more responsibility. It is the job of

every Tribesman to make sure those not yet on our rolls are ready to answer the call of the Tapper.

As we prepare for the coming season we will gather for Potlatch on May 1. Potlatch will include our annual silent auction, the Great Feast and the selection of our new Chieftain. At the Potlatch please remember to bring items for the silent auction. Some of the items you have taking up space may be just what a young Scout or Scouter needs for their costume or Scouting collection. The money we make from Potlatch will again go to Golden Eagle to support special projects at Camp Hansen.

As we prepare for this summer we need to remember that our job is to provide the hard work to make camp ready for those to follow our trail. We all need to be ready to make life changing impressions on those who travel to the Inner Circle of the Tribe of Golden Eagle.

It is Well!

## Camp Hansen Stewards

This spring the Camp Hansen Stewards association will be working to make improvements to Camp Hansen. You can join the Camp Stewards by donating \$100 dollars to the association for the year. All money collected will be used for program equipment, supplies and other camp improvements. If you are interested in joining the Stewards please contact MM Stinking Possum (Brad Corbett) at [stinking\\_possum@yahoo.com](mailto:stinking_possum@yahoo.com) or DMM Climbing Guide (Bob Gibbens) at [Bgibbens@nckcn.com](mailto:Bgibbens@nckcn.com).

This is a great opportunity for individuals or Troops to take some ownership and pride in camp. It is very fulfilling for your Scout unit to know they helped make sure we are ready for camp and have equipment for a great summer session. For more information, call the Medicine Men. ### Golden Eagle Potlatch Training

The Manhawka Council is setting up training for tribal members. 1:30 until 3:00 we will have the following classes.  
Brave Orientation  
Dance practice for Warriors, Tom-tom beaters  
Fire builders meeting  
Runner, KSB, Shaman (if needed)  
Adult orientation (all adult stations)

3:00 until 5:00  
Introduction to Costume building  
Advanced Costume building

We will be offering training for all paint stations. There is also an orientation meeting for all adults so you can learn what each paint station does. Many of us know that there are Keepers of the Sacred Bundle but few of us know what their job is. This session will help to clear any confusion and answer questions you may have. These sessions will not replace anything that we do during summer camp but it will give you a chance to get a head start on camp. When you and your troop register for Potlatch we would like to know your GE rank so we can plan what classes will be full and how many trainers will be needed. At 3:00 there will be several costume building classes. If you need to start your costume or you want to learn how to build a back bustle we will have classes for you. Here you will not have time to complete a costume but you will know what you need to do between Potlatch and summer camp.

## BOB GIBBENS TO SERVE AS GOLDEN EAGLE COORDINATOR

Medicine Man Climbing Guide will serve as Golden Eagle Coordinator again this summer. Questions regarding nominations and/or if you would like to help with ceremonies, please contact Bob Gibbens at e-mail [bgibbens@nckcn.com](mailto:bgibbens@nckcn.com)

### Potlatch

The Council of Chieftains has instructed the Tom-Tom Beaters to send forth the call to all Tribesman of Golden Eagle to gather at the Hansen Reservation for the annual Tribal Potlatch.

**What is Potlatch?** Among the Native Americans of the North-western Coastal Area, a Potlatch was a ceremonial festival marked by a large feast and the giving of gifts. In a show of sacrifice, tribal members achieved their social standing, not by what they had accumulated to themselves, but by what they were willing to give to others. In the spirit of the Potlatch, the Chieftains have proclaimed a festival, so that all tribesman of Golden Eagle might be allowed to share their gifts with others.

**What do I share?** The Golden Eagle Potlatch is, first of all, a day of service. All Tribesmen can give of their labor and physical skills to prepare Camp Hansen for the coming summer. This is a gift which costs nothing but benefits all those "younger and weaker" who will be trodding Camp Hansen trails this summer. Secondly, it is possible for a Golden Eagle to make a small sacrifice gift of "wampum." All money received will be used to fund the Golden Eagle program at camp, assist in the general program expenses of Scout camp, or be added to the Campership Fund which helps needy Scouts attend camp. Finally, a third way you can share as a tribesman is to donate articles for resale, at auction or in the trading post. Donated articles may include old Scout items, books, turkey feathers, leather,

cow horns, Indian Costume articles ..... your imagination is the only limit. Again, the purchase of those donated items will aid in the funding of Camp Hansen programs.

**What else happens at the Potlatch?** Golden Eagle members will meet in their paint stations to receive instructions and prepare for the ceremonies for this coming summer. There will be special meetings of the Tribal Council and Manhawka Council.

**What about food?** Lunch and the evening Feast will be served in the Camp Hansen Dining Hall. Those who arrive on Friday evening, Saturday morning or stay Sunday need to provide for their other meals.

**How much does the Potlatch cost?** The Potlatch registration fee for participants is \$12 if paid by April 25, after this deadline it is \$17. This includes a light lunch, the Tribal Feast and a special Potlatch patch. We really need to know how many Tribesmen will be attending so we can purchase the right amount of supplies and food.

**Can non-members of Golden Eagle participate?** Yes, all Scouts and Leaders can come and share their resources and service. Paying the registration fee permits all to share in the Tribal Feast and receive the Potlatch patch. Non-tribesmen will not participate in the afternoon meetings but the evening ceremony is open to everyone.

The KEEPER OF THE PLAINS is the highest award a Tribesman can be given. This award is a bronze medallion which can be worn with the Tribesman's costume.

The 2009 recipients were:

*Keeper Of The Sacred  
Bundle  
Bright Patient Eagle  
Cord Gross*

*Medicine Man  
Climbing Guide  
Bob Gibbens*

Congratulations to these outstanding Tribesmen!!!

**CALLING ALL BRAVES, WARRIORS, FIREBUILDERS, TOM TOM BEATERS,  
RUNNERS AND KEEPERS OF THE SACRED BUNDLE**

**YOU CAN ADVANCE IN RANK THIS SUMMER, EVEN IF YOUR TROOP DOES NOT ATTEND!**

That's right, you can advance even if your troop is not in camp. You must attend for the full week. As a member of the Tribe of Golden Eagle, you are asked to provide service to your camp. You can provide this service several ways: 1) attend with your troop, work on merit badges and other camp programs and advance that week; 2) attend with another troop, work on merit badges and other camp programs and advance that week; or 3) attend as a Counselor-in-Training (you attend free) and work with the camp staff for a week and advance. If you choose to be a C-I-T, you can not earn merit badges, etc., but you can advance in Golden Eagle and be part of a great camp staff helping a lot of Scouts and leaders.

Each week there are troops attending camp that have taken Scouts from other troops to camp. There are three weeks of camp: June 6-12, June 13-19, and June 20-26. For more information on attending Camp Hansen with another troop or serving as a Counselor-In-Training, contact Rex Lowe, Medicine Man Silent Water, at 785-543-6688 or [drlowe@ruraltel.net](mailto:drlowe@ruraltel.net).

## **Dear Brave of Golden Eagle,**

The Heat Moon of summer is now a distant memory and the Snows have left their mark upon the land. Soon we will take to our lodges for the Long Nights Moon and add another totem to our winter count robes. *What will be your memories of the past year?*

As a Brave of Golden Eagle, you made some important promises to yourself last summer. We hope you have been successful in your commitments to your family. Continue to try hard to grow in your resolve to God and your country. As a leader at Camp Hansen and as a leader in Scouting, we hope you have been faithful to your troop responsibilities. We hope you give special attention to those Scouts younger than yourself. Help them grow and learn. Be a friend and teacher. As new Scouts join your troop this spring, tell them of the adventure and fun that awaits them at Camp Hansen.

You should prepare yourself to accept a new challenge and responsibility this coming summer by becoming a Warrior in Golden Eagle.

You can make that important achievement a reality by setting some goals for yourself.

1. Continue to advance toward the rank of Eagle by earning the Life rank. Don't put this off but rather work diligently to show you have used your talents and developed your skills in merit badge subjects, service projects and your troop leadership responsibility.
2. Begin working on your Indian costume and start learning Indian Sign Language. Braves will be tested at camp and will receive additional Indian lore instructions while there. You can receive a head start on learning what is needed to advance by attending Paint Station training that will take place at Potlatch.
3. Plan on being a leader this summer at Camp Hansen. Remember there are young scouts who will need your help. You may wish to apply for the camp staff if you are qualified.

***May the Great Spirit guide your moccasins until you again stand before the ceremonial fire of Golden Eagle.***

It is Well,

Chieftain Blue Eagle  
Loren Harvey
