Risk Management:

Tour Permits

Chapter four of the Field Operations Guide of the Order of the Arrow states that "Lodges must initiate and file appropriate tour permits in accordance with BSA policies and procedures." All lodges should file a tour permit with their local council office.

Health Forms

One copy of each participant's health form must be given to the Medical Coordinator at check-in. Each Lodge's leadership should also keep a copy of the medical form for their own records. The health form must have Parts A and C filled out at the minimum. The physical form will provide the necessary information for the Conclave health staff in case of illness or injury of a participant, including consent for treatment by the participant or parent/guardian. The health forms will be returned to the lodge upon check-out.

Accident & Sickness Liability Insurance

BSA accident/sickness insurance and liability insurance is purchased by the Section through the Central Region, Boy Scouts of America for the duration of the Conclave. The price incurred for insurance is included in the Conclave participant fee.

Conclave Guidebook, Information, and Communications:

A guidebook for each delegate will be included in the lodge registration packet given out at check-in. It will include the Conclave agenda, camp map, code of conduct, training schedule, and activity information. In addition to the guidebook, a daily newsletter will highlight events, Arrowmen, and facilities of each day.

Trading Post will be open during the Conclave.

Registration:

The fee for registration will be set at \$35 per person if registered by September 1, 2010. The registration fee after that is \$45 per person. Lodges are fiscally responsible for the total fees for their guaranteed number of delegates, even if fewer attend. Fees paid in advance may be transferred to an alternate delegate, but will not be refunded. Delegates in addition to the guaranteed number may attend and fees will be based on the payment schedule set forth above.

This year we would really like to encourage all members of the OA in each lodge to come and have a great time with us and gain more experience that you can share with your brothers in Scouting. Every year we have a new Section Conclave with a new theme. This year's theme is "The Safari", so we would like to challenge you to see if you have what it takes to be a Safari guide or if you will crumble under the pressure of your Safari competitors.
