Filing a Local Tour Plan—only Tour Plan dates for 2011 & 2012 are accepted.

1. Must be received by the council service center two weeks prior to your trip.
2. All tour plan applications must be printed neatly or typed.
3. Remember to answer all questions and have a member of the committee sign. (The committee must approve all activities of their unit.)

Parent Permission Slips

Units are encouraged to use Parent Permission Slips for all activities. The Scout Service Center has a form that can be used, that includes parent's phone number for the time during the activity. Permission slips allow the tour leader and the Scout's parent to have current information and do not need to be filed with the council service center.

Go to Resources Page on the council web site www.coronadoscout.org to print a local or national plan application or parent permission slip.
