Collection day

Troops/Packs will pick up canned and dry goods in the community on Saturday, March 1 after 9:30 a.m. Sacks that can be delivered door-to-door to homes the week before collection day will be handed out at the February 5, 2008 Roundtable. Enclosed in this packet is a sample flyer that should be placed in the sacks before they are distributed.

At the February 5, 2008 Roundtable maps will also be provided for all units.

Our goal is to break last years' food collection record!
