FINAL CHALLENGE: DO A GOOD TURN DAILY - Some Good Turns are big - saving a life, helping out after floods or other disasters, recycling community trash, working with your patrol on conservation projects. But Good Turns are often small, thoughtful acts - helping a child cross a busy street, going to the store for an elderly neighbor, cutting back brush that is blocking a sign, doing something special for a brother or sister, welcoming a new student to your school. A Good Turn is more than simple good manners. It is a special act of kindness. This is a challenge you should think of every day. There are no submissions for this challenge! - Think of others and always look for an opportunity of a Good Turn!
