

**2020 COVID 19 Camp Refund Policy & Request Form**

Coronado Area Council recognizes that employment, vacations, and health concerns may prohibit your unit’s attendance at Dane G Hansen Scout Reservation or Brown Memorial Camp rescheduled for July 2020. For this reason, we have established the following refund/postponement policy:

**Unit Cancellation:** *A 100% refund of all fees and deposits for units cancelling by June 15th – Requests MUST be submitted by June 15.* After June 15, if we are permitted by advice of Medical Advisors, State and Local Officials to hold camp, materials will be purchased and ordered to support your attendance.

**‘No-Show’ Units:** If your unit fails to notify Coronado Area Council of its cancellation and does not check into camp at the appropriate time, your unit will forfeit any fees.

**Individual ‘No-Shows’ without notification prior to Camp:** Individual Scout’s whose parents prohibit his/her attendance after the unit has communicated its intention to attend and does not notify Coronado Area Council by June 15, will forfeit 25% of the fees paid by the unit for that Scout and a refund will be issued for the balance.

**Camp Cancellations:** If Authorities or judgement of Council leadership dictate that camp operations are not feasible; a 100% refund will be issued. Refund allocations will begin on or after July 1, 2020. Please allow 10-15 business days after that date to process your request.

**Postponement:** You may choose to move your 2020 camp payments toward reservations in 2021. If you choose to do that, you will receive the balance of the payments paid by your unit. You may do this whether YOU cancel your plans or if Coronado Area Council cancels summer operations.
