

CAC Scouting Family,

Wow! What crazy times we are living in today! The staff has been working on the information we are providing in this email for a few days. We believe this to be our best possible options and information for each event on the council calendar or that we believe has been discussed in the districts.

Early bird registration for Camp Hansen and Brown Resident Camp have been extended to April 30th to allow all units the ability to communicate with their families about payments. At this point there has been NO discussion on our part about cancelling or postponing resident camp. We will continue to monitor the recommendations we are receiving and will communicate any changes as quickly as we can.

IF we do cancel an event you are planning to attend because of the COVID 19 gathering recommendations, we will refund as much of your program fee as possible. The staff has been reminded to be careful with their planning and purchasing of program items and to delay as close to the start of the event as possible. If there are items we can use for a future event we will. Again, we will do our best to provide you with as much of a refund as we possibly can.

We appreciate your patience and understanding during these difficult times. We hope you and your family stay safe and healthy so we can once again see each other at a Scouting event!

Yours in Scouting
